

Becky's Vision

REAL Ladies

First off why have we called it REAL - simply because as leader of the ladies team my heart and passion is for us all to do this journey together, empowering one another, being real and honest, so that we can truly support each other.

It's hard enough being a women in this world as it is now - everyone has an opinion on every aspect of your life, how you should dress, if you should have children (or not), what type of job you should do. Well the bible tells us in 1 Corinthians 12 v 14 - Even so the body is not made up of one part but many. It then goes on to talk about how each part, has its own specific purpose, and how it would be no good if our human body was all made up of one part, or they all wanted to be the same part. It then says in

1 Corinthians 12 v 27 - Now you are the body of Christ and each one of you is part of it.

That's why I believe as ladies, we all have a part to play, a specific purpose designed for us and us only by God when he created us.

That's also why we plan and run the ladies events that we do throughout the year as a Team!

We all have something different to bring and contribute.

The team is made up of myself, Claire Barford, Becky Keith, Mandi Steadman, Charlotte Stanbury and Naomi Saunders.

If you have any questions about any of the events or have any suggestions about what you would like us to organise in the future please let me know.

We look forward to seeing you all at our events and journeying with you!
